Hardship License

In order for a contractor to be reviewed prior to the next scheduled Board meeting, they must meet the criteria as an undue hardship on the owner or be in the best interest of the public safety and welfare. See T.C.A. § 62-6-111(k)(3) and Rule 0680-1-.02(2). Contractors must complete the application process, in its entirety, to be considered and provide a written request describing the hardship from the owner (not the contractor). The hardship letter must include: details of the hardship; reason the application process must be rushed; the need to use this particular contractor and not a contractor who already has a license; describe the project and location; and the bid date. A hardship request form may be obtained from the website at: <http://state.tn.us/commerce/boards/contractors/documents/HardshipRequestForm.pdf>

Pursuant, T.C.A. § 62-6-109, Public Chapter 191, any applicant meeting the hardship criteria and approved by the Director, their license information must be posted on the website and ratified at the Board's next scheduled meeting. The contractor will be issued a letter confirming approval and a license certificate will be mailed after the regular scheduled Board meeting.
